

# National Inter-Ministry Committee (IMC)

The National Inter-Ministry Committee (IMC) will be revitalized and assume overall coordination and oversight of SAP implementation at national level. The IMC will review and approve reports from the National Technical Working Group and the Specialized Executing Agencies for mangroves, coral reefs, seagrass, wetlands, land-based pollution, and economic valuation regarding the outputs and outcomes of efforts to achieve SAP targets. The IMC will meet on a biannual basis during the operational phase of SAP implementation to guide the timely execution of national-level activities. The IMC will be chaired by the lead national agency and will have as members all other relevant agencies and ministries.
